

## **ABC darian poem.**

An “ABC darian” is a poem that you begin by writing the alphabet down the left side of the page. Each line of the poem must begin with the letter written there.

**C**onsider what else could have happened....

A “double ABC darian” ( a supreme challenge!) is a poem that you begin as above and before you start writing, you write the alphabet also along the right side of the page – but you begin with Z.

So, the first line of a double ABC darian would begin with the letter A and end with the letter Z.
